To,

B. K. Venkatavaradiengar, Esqr;
Secretary to the Government of

Sir,

I have the honor to state that the President of the Shimoga Town Municipal Board, requested in his No: 1017 dated 22nd October 1904, that the maintenance of the marginally noted roads may be taken over by the District Board, who resolved in their

(1) Road leading from the junction of the Honnali road to the District office and on to Tirthalli road. — 1/2 mile.

(2) Road from the junction of the Shikarpur road near the District office to the Bola Bungalow to join the Sagar road. — 1 mile

their meeting dated 3rd November 1904 that the Chief Engineer should be asked whether these roads will be taken over by Government for maintenance from Provincial Funds, as they are loop lines connecting Provincial roads or a Provincial and a District Fund road. The Chief Engineer who was accordingly addressed on the subject, states in his no: 7052 dated 29th November 1904, that these short bits of roads which are within the municipal limits, must be maintained by the municipal Board as heretofore and the fact that the roads are loop lines connecting Provincial roads, or a Provincial and a District Fund road, is no reason why their maintenance should be transferred to the State Funds. The matter was discussed again by the District Board on the 4th February 1904

and

Rs 50 per mile be made to the Shimoga Town Municipality, from District Funds for maintaining these roads.

2 I therefore request that you will kindly obtain the sanction of Government for payment of Rs 125 from District Funds as contribution to the Shimoga Town Municipality for maintaining the two roads, which measure a total distance of 2½ miles. Necessary provision has been made in the District Fund Budget for the year 1905-06.
